Public Notice No. 4/2024-25

To streamline and simplify the process of new unit registration and ensure compliance with Rule 17(2A) of the SEZ Rules, 2006, the Unit Approval Committee (UAC) meetings for GIFT SEZ will be scheduled fortnightly, specifically on the second working day of the 1st week and the 3rd week of each month. Only proposals that are complete and, in all respects, will be considered during these UAC meetings. Additionally, the UAC meeting in the third week of each month will be followed by an open house session to allow stakeholders the opportunity to voice their concerns and provide feedback.
